The followers of Jesus have been given the Holy Spirit. That means that the best part of God is within us. He is our greatest treasure and He is what we have to share with those around us. Today, we choose to "Be the Church." Instead of doing church like we do every Sunday, we will go into the community and share the love of Jesus with others. After a time of prayer, we will go to a local nursing home and share God's love with the residents there.
